**Swamp Road Sentinel**  
**Vol. 16 No. 10**  
**October 2018**

**Fall Trap League** With the good fall weather came good shooting conditions. We had really good competition amongst the shooters this fall. I'm looking forward to everyone shooting again this spring at the club. Thank you to everyone that shot the league or came and helped out. Let's continue to show club support by getting involved.

**Fall Rifle League** What a good finish to a fun filled year at the rifle range. We had some nice weather and it was bug free. This lead to some good scores posted. For those of you that shot this tell other members how much fun it was and maybe we will see more members come and have fun next year.

**All League Awards** Wow did we have too much fun for one day or what? When I said this was the social event of the year I really meant it. Everyone out shooting, showing off their new and old toys, trading reloading recipes and having a good time just B.S.en'. Thanks everyone for coming.

**Thanks for Shooting** 2018 was a great year for the Swamp Road Sportsman's Club. We had a lot of club member participation in the leagues, helping out with the leagues and events, and respecting other members ideas of having fun shooting. I can't say enough how lucky we are to have such a nice safe place to enjoy our shooting sports. Let's all make it an effort to do it all over again in 2019.

**No Meeting December** There will be no December meeting so that we can all go shopping to get gifts for our loved ones for Christmas. Please take this Friday night and go to your favorite shopping mall and get a good deal.

**Gun Board** The winner of the Taurus PT709 9mm was Jason Price and the winner of the Smith & Wesson SD9 VE 9mm was Bill Ohrmund. The Packers made it an exciting way to give away a couple of guns. As of right now I don't have a board going but will have one before the next meeting this Friday. You can sign up when you see me at the club or call/text me and I'll hook you up with a square.

**Club Project Bucket List** If you have any skills or access to equipment that would help spruce up the Swamp Road please talk to the board members and see if we can get it going. Looks like we need to add to the list.

1. Finish storage room.
2. ~~Fill mosquito swamp (Rifle Range)~~ Thanks Ken!
3. ~~Pistol range road improvements.~~ Thanks Ken!
