Summer Trap League What a remarkable summer of trap shooting. With just a couple of weeks left to decide the winner of summer league it should be a down to the wire finish. We have August 1st, 3rd and the 8th to finish up. If there is anyone having a hard time finishing up Pam said she would work with you and look at the options.

Canned Gopher Shoot What a great day out to the range. We had 35 shooters shoot this year. We killed 433 canned gophers this year but did leave a few to breed for next year. A. J. Mosansky and Earl Fisk was top gun. Trent Sweeney was 1st Lewis, Alex Stone was 2nd Lewis (thanks Alex for donating a portion of your winning back to the club) and Jeff Ryan had a great time and promised he would not come in last next year. I think everyone had a good time shooting so I hope to see you all come back next year and remember next year it will be on the 3rd Saturday of July.

Long Range Rifle League Tune your rifle in for 300 yards. You will shoot 10 shots a week for 7 weeks at 300 yards. The targets will be 5 shots on paper and 5 shots on steel. The cost of all this will be \$25. Fun will start August 3rd and run until September 15th. This is one for those of you that have a .22 Hornet or .300 win mag, with a little practice anyone could do it.
