**June 2020**

**Summer Trap League** Summer league has started out to a great start. We have had several 25's shot already and even a few 50's straight's. I think this is the year that we will see a few 100 straights and possibly even a 150 straight? The sky's the limit. Let's all have fun and all shoot the best scores we have ever shot before. Thank you to all the members that are pitching in helping score and fill houses. This makes everything run smooth so no one has to wait long to shoot. Also bring you friends and family to cheer you on. Show off a little bit.

**Canned Gopher Shoot** This year it will be Saturday the 18<sup>h</sup> of July. If you have shot this event in previous years I will be sending you the rules. Again this year we will have a pre-sign up for those that need a specific time they want to shoot and for those that just want to come that day and sign up on a first come first shoot basis that will work also. Any questions please ask me or anyone that has shot it before. This is a very social event and is meant for all skill levels. Please mark your calendar and get ready to shoot some of those pesky little canned gophers!

**Long Range Rifle League** Tune your rifle in for 300 yards. You will shoot 10 shots a week for 7 weeks at 300 yards. The targets will be 5 shots on paper and 5 shots on steel. The cost of all this will be \$25. Fun will start August 1<sup>st</sup> and run until September 12<sup>th</sup>. This is one for those of you that have a .22 Hornet or .300 win mag, With a little practice anyone could do it.

**Speed Limit** Remember we don't have a need for speed when coming into and leaving the club parking lot. Our biggest focus at the club is always SAFTY FIRST! We need to keep our speed down, the dust down and our safety record perfect. Please safety first.

**Shooter's Fest** Time to get out and help raise some money for the best sportsmen's club in the area. Tickets will be available at the club this Thursday at trap night. I can't stress enough to everyone that this is our big fund raiser for the year and is what helps us maintain the ranges and facilities for the year. Remember the tickets are only 5 dollars each or 5 tickets for 20 dollars and the prizes will be as follows:

**Prizes**

- 1<sup>st</sup> Browning A-Bolt III .270 or \$575 Cash
- 2<sup>nd</sup> Remington Model 7 Predator .243 or \$450 Cash

**Pistol Range** Looks like it's a dream that came true. The range is now officially open. Keep in mind that there will be more work and improvements done to it in the upcoming months. But if you want to use it as is go ahead and have fun. Just everyone practice safety and please police the range when you are done. Safe, clean, fun.

**Gun Board** The last board I had was a Kel Tec PMR 30 .22 mag Pistol or \$375 cash. Les Sorensen was the grand prize winner! I hope you enjoy the gun Les and thanks to everyone that supports our club buying a chance to win. I now have a Kimber 1911, 10mm semi auto pistol. Take a chance for \$15 per square or 2 squares for \$25. If you would like to win a gun and do a good thing for our club give me a call and I'll tell you how we can get you on the board. Support the club and even if you don't want on the board give a few bucks for club improvements.

**Club Project Bucket List** In 2020 I would like to keep improvements to the club top priority. The few items that I have on the list are just a few things that don't require a lot of skills and could be done any time without asking for permission. There are several other pipe dreams that require hard work and money. If you have some hard work or equipment setting around that needs to be used please by all means call me and we will see what you can help with.

1. Finish storage room.
2. Clean restroom
3. ~~Clean windows.~~ Thanks Pam O.
4. Brush parking lot and driveway
5. ~~Finish pistol range shelters~~ Thanks everyone involved. It was a club effort.

**Recipe of the Month** *Malibu Sunset Cocktail* To make this yummy drink, simply put 3-4 ice cubes in the bottom of a glass. Pour 4 oz. pineapple juice and 2 oz. rum over the ice. Next, pour 1 oz. grenadine slowly down one side of the glass (pouring too fast will mix the grenadine in and you won't get the cool color separation) Stick 2 cherries and a pineapple chunk on a toothpick for a garnish. Enjoy your drinks immediately. Please remember to drink responsibly and kick back and relax!

**Crystal Ball** July 3<sup>rd</sup> Club Meeting, July 18<sup>th</sup> Canned Gopher Shoot, August 1<sup>st</sup> long range shoot, August 7<sup>th</sup> Club meeting, August 8<sup>th</sup> shooters fest.

**Next Meeting** The next meeting will be July 3<sup>rd</sup>. This will focus on the getting ready for the can shoot. If there is anything else that needs urgent attention, be sure to contact the board prior to the meeting.
