Cold Bore Shoot And it was cold, BURRRR! Even though the wind was whipping and the temperatures were lower than what we would like, it was still a successful event. We all had a good time battling the elements to send one shot to the middle of the target. In the end Mike O'Leary took the 200-yard target with the bullet 1.09" from center with his Zombie Green AR15, .350 Legend. 200 yard 2nd place was Brett Ewer at 1.413" from center. For the 300-yard target John Liazuk took closest with .844" from the bulls-eye using his trusty Colt AR15 in a .223. Mike Cerra was 2nd at 1.134" and Earl Fisk at 1.643". It's all fun when you get to shoot you favorite rifle. I want to thank everyone that came and shot with a special shout out thank you to all the club members that made this event fun by helping out scoring, setting targets, making food and organizing the event.

Trap Summer League Meeting We will be having a meeting about this summer's trap league on Thursday April 21st at 7pm. We will need to talk about moving the shooting from Thursday to Sundays; people that would volunteer to run it certain league days, the price of birds and shell availability. Please for now keep an open mind on everything and let us know what your team would be willing to do. We know we can never keep everyone happy with every decision but our goal is to make it best for most with everyone's opinion heard.

.22 Shoot Save the date May 21st. We are going to give the .22 shoot another try. For sure we will have 2 or 3 different types of competitions. I'm sure you will find a competition that's for you. I will have more next month in the newsletter.

Gun Board Since the last newsletter I gave away 2 guns. The Remington .243 was won by me and the Stevens .12 ga was won by Earl Fisk. The first Brewers/Cubs series board is full and I should have text you a picture of the board if you were on it. I have a Brewer/Cubs series board for the next series at the end of April for another Heritage Rough Rider pistol. It's on a 25 square board at \$10 a square. As of now I do not have a board started other than the Brewers board. I will start one before our meeting this Friday. Call, text or email me and I will get you on one of the boards. Remember my goal this year is to give away 25 board guns and right now the gun count is at 6. Call me and win a gun, if you don't play you will always say "I never win".

Gun Boad/Pour House We also have a gun hanging at the Pour House in Bruce. It's an AR15 with wood stock and forearm. The squares are \$10 each. If you are in Bruce stop in at the Pour House and sign up for the gun and have a short one and a beer. Make sure you thank them for supporting the Swamp Road Sportsmen's Club.

Club Project Bucket List We had a good year getting projects done and I hope this coming year will be just as good. There are a few small jobs that could be done this spring. Let me know if you have some time on your hands and would like to help out.

1. Finish storage room.
2. Brush Pistol and Rifle parking lot.
3. Pick Rock off the new range.

Swamp Swag Pam has been working on getting some new Swamp Swag ordered for the club. As of now we have some t-shirts for \$15 and working on getting some sweatshirts and hats. Come to a meeting to get yours and be the first to have some new Swamp Swag.

Recipe of the Month *Easter Egg-Hunt Martini* In a shaker glass filled with ice, add 1 egg white from freshly cracked egg (discard yolk, or put aside for other use). Add 1.5 oz. Absolut Vanilla vodka, 1 oz. triple sec, .75 oz. milk and .75 oz. orange juice. Shake vigorously. Prepare rim of martini glass with orange zest and sugar-in-the-raw. Decorate glass like an Easter egg using drops of raspberry and strawberry puree. Strain cocktail into martini glass.

Crystal Ball April 1st club meeting, April 17th Easter, April 19th Mike O'Leary Birthday, April 21st, May 6th Club Meeting.

Next Meeting The next meeting will be April 1st at 7 pm. This will focus on spring clean-up dates and look into the upcoming year of fun. If there is anything else that needs urgent attention, be sure to contact the board prior to the meeting.
